

Durable Medical Equipment Closet Procedure

St. Anthony's Parish Health Ministry Committee maintains a Durable Medical Equipment (DME) Closet in the Parish Center. This "closet" houses gently used medical equipment that has been sanitized and is available for borrowing.

If you are in need of equipment:

1. Call the church office at 513-271-0920 and leave a message with your name, phone number or email address, and equipment request.
2. A Health Ministry Committee member will return your call to validate the equipment request and arrange for pick up or delivery of equipment. If the equipment has NOT been ordered by a Healthcare Practitioner, an Occupational Therapist will be consulted to assess the appropriateness of the equipment request. NOTE: No fittings, prescriptions, or recommendations will be given on the actual piece of equipment.
3. A release form will need to be signed prior to equipment distribution.
4. When the item is no longer needed, call the church office at 513-271-0920 to arrange equipment return.

Available equipment:

1. Arm and Band exercisers
2. Arm sling
3. Bedside commodes and raised toilet seats
4. Braces and Immobilizers for the knee, back, finger, wrist, knee, and lower leg
5. Canes and crutches
6. Cryo (ice) cuffs
7. Hip protective underwear (size large)
8. Oxygen tubing and humidifier
9. Post stroke aids: Grabbers, transfer seat, and dressing aids
10. Pressure reducing cushions
11. Shower chairs
12. Walkers (2 and 3 wheels, triangular, wide seats)
13. Wheelchairs (Regular and one 3G with tilt capabilities)

If you have equipment to donate:

Call the Parish Office at 513-271-0920 and leave your name, phone number or email, and a description of equipment to donate. Your call will be returned at the earliest opportunity to arrange equipment drop off or pick up.
